too drunk to consent?

what is consent

did he know i was too drunk to consent

i know he knows i was too drunk to consent

how many shots before its rape

what if he had a glass of wine too

i think i had 7 shots is that enough to be rape

if i don't remember is it rape

if he knows i dont remember but we both laugh in the morning is it rape

if i hand him his phone and kiss him goodbye the next day is it rape

i was making out with another boy in the hallway while he waited in my bed is it still rape

am i too promiscuous

can sluts be raped

i always say yes but this time i was too drunk to even get the word out is it rape

what if i was trying to sleep with boys to get the first person who raped me out of my head but they raped me too

can i be raped by multiple people

is it rape

is it rape

is it rape

send help did he rape me

are you allowed to laugh off your sexual assault

is it a sexual assault if you try and laugh it off

how long do you have to be not ok with your rape before you call it that

what if your best friend said it was your fault

what if i tell people and everyone else says it's my fault too

can you confront your rapist

can you confront your rapist a year later
can you talk about your sexual assault in public
am i taking up too much space
am i taking up any space
can i call myself a survivor
am i a rape victim
am i a victim of domestic violence
he hit me but i was the one who apologized was it my fault
was it my fault
was it my fault
if his dad hit him too is it my fault
he was caught in the cycle of abuse did he abuse me
he hit me and i called it love is it my fault
he never left bruises on my face is it my fault
i always went back to him is it my fault
i never told him it wasn't ok is it my fault
what do you do when your partner rapes you
what do you do when two of your rapists call themselves your exes
what do you do when you're in love with your rapist
how do you break up without hurting them
is it sexual assault if he was drunker than i was
is it sexual assault if he cries and apologizes in the morning
is it sexual assault if he doesn't remember but you do
is it sexual assault if he helps you get over your other sexual assaults
is it sexual assault if he's been sexually assaulted too
is it sexual assault if he's normally so good when you say no and always stops when you're shaking and always asks if you're
ok except this time and the other time and only when he's drunk or high
is it sexual assault if he loves you

can a person you love rape you

how to get over your rape

how to not be triggered by his voice

how to not be triggered by his name

how to not be triggered by his face

how do you make everything not remind you of your rapist

how do you make everything better

what do you do when he raped you

what do you do when can't call it rape

what do you do when you can't tell your best friend because they're his best friend too

and what do you do when you can't call it rape but you need to and you can't talk about it but you need to and no one can know but you can't stop shaking and YOU TOLD ME YOU LOVED ME WHILE HOLDING MY HEAD DOWN YOU PIECE OF SHIT
